Summer 1 - Week 2

Dear Parents and Carers,

We started our week with a well organised Book Fair led by Miss Coyne. From Monday to Wednesday, parents and children had the opportunity to purchase some fantastic books. Thank you to Miss Coyne and our Reading Ambassadors who stayed after school selling books.

On Wednesday, Year 1 and 2 had their first Summer Term trip. The children visited the V&A Toy Museum and had lots of fun exploring toys from the past and present. They particularly enjoyed the Minecraft room.

On Thursday, our Year 6 children arrived at school early to have breakfast and participated in a SATs Practice morning. This gave the children the opportunity to experience a typical SATs day. The morning went smoothly and the children were able to ask questions about the week. The children have been working extremely hard in preparation for SATs which they will continue to do so up until SATs Week which will commence on Monday 13th May 2024.

Kandinsky Class were the first class to experience using our Now Press Play Programme. The children got to experience being immersed in a World War 2 raid. They were then able to write about their experience and discuss how it felt.

As shared last week, our new topic is **Hackney, our home**. Please click on the links below to see our Curriculum Booklets to find further information on what your child will be learning this term.
