Personal, Social and emotional development (PSED)
Read the Little Red Hen and non-fiction book on scholastic website (week3 day14)
<https://classroommagazines.scholastic.com/support/learnathome/grades-prek-k-week-3.html>
Discuss how you help at home. Can you draw pictures to show what you do?

Daily Activities:
Maths– Chant numbers up to 10/15/20. Name and recognise numbers up to 10
Reading – Sharing a story or rhyme with an adult every day.
Writing – Practice writing the first letter or all the letters in your name

Key Question:
Up in the Sky – What animals can fly?

Topic/Understanding of the World
What things can fly? Find out about different things that fly. Look outside your window and see if you can spot anything that flies. Tell someone at home what you can see.
Create a poster, a labelled drawing or a collage that sorts living and non-living flying things.
What is the lifecycle of a ladybug?
Life Science – Ladybugs (week3 day 11)
<https://classroommagazines.scholastic.com/support/learnathome/grades-prek-k-week-3.html>

Maths
Compare different objects around your home. Which is bigger? Which is smaller?
Find 2 objects that are the same size?
Find 2 objects that are the same length?
Investigate how much water different containers hold. You could use cups, bowls, bottles or jars. Fill them with water to see which one holds the most water. Order the containers from the one that holds the most to the one that holds the least.
Compare different objects according to their size

Creativity
Art, Design Technology & Music
Draw all things you can think of that can fly. Include lots of detail and label your drawings.
Use junk modelling to make something that can fly. You could even make something with someone at home as a family project.
