

Please record your learning in
your Home learning book.
Reception Home Learning
Space and Aviation

Monday 20th April to
Friday 24th April

**Personal, Social and emotional
development (PSED)**

Read the Little Red Hen and non-fiction book on scholastic website (week3 day14)

<https://classroommagazines.scholastic.com/support/learnathome/grades-prek-k-week-3.html>

Discuss or write about how you help at home.

Maths

Compare different objects around your home. Which is bigger? Which is smaller?

Find 2 objects that are the same size?

Find 2 objects that are the same length?

Investigate how much water different containers hold. You could use cups, bowls, bottles or jars. Fill them with water to see which one holds the most water. Order the containers from the one that holds the most to the one that holds the least.

Compare different objects according to their size

Soaring Skies
Federation

Daily Activities:

Maths– Counting forwards and backwards to at least 20. Can you say one more/less?

Reading – Share stories every day - can you find some common words you know

Phonics – practise identifying, saying and writing sounds

Spellings - practise reading and writing HFWs you know (the list is in your homework book)

Key Question:
Up in the Sky – What animals can fly?

Topic/Understanding of the World

What things can fly? Find out about different things that fly. Look outside your window and see if you can spot anything that flies. Tell someone at home what you can see.

Create a poster, a labelled drawing or a collage that sorts living and non-living flying things.

What is the lifecycle of a ladybug?

Life Science – Ladybugs (week3 day 11)

<https://classroommagazines.scholastic.com/support/learnathome/grades-prek-k-week-3.html>

Creativity

Art, Design Technology & Music

Draw all things you can think of that can fly. Include lots of detail and label your drawings.

Use junk modelling to make something that can fly. You could even make something with someone at home as a family project.

Ladybug, Ladybug

Ladybug, ladybug,
Fly out of the farm,
And land right
On my little arm!

Ladybug, ladybug,
Fly out of the tree,
And land right
On my little knee!

Ladybug, ladybug,
Fly out of your bed,
And land right
On my little head!

Ladybug, ladybug,
Fly out of the rose,
And land right
On my little nose!

Read or listen to the poem and try to memorise it.

Write the poem out in your best handwriting.

Find the words that rhyme in the poem and write them down.
Can you think of any more rhyming words?

Draw a picture or make a model of something from
the poem
