Dear Parents/Carers,

We have our final meeting for parents/carers of children in year 5 and 6 in the school playground at 9.05am on Monday. Thank you to all parent who have attended the meetings thus far and for the valuable input. The concept boards will be up at parents evening and we will be on hand to provide further updates. There will also be the opportunity to sign up to the working group at this stage. Thank you all for your support with this so far. We are creating a display to capture the children’s aspirations, dreams and hopes for the future. Please support us by discussing this with your children at home so we can create an exceptional display of our children’s aspirations.
