

Dear Year 6,

Soaring Skies Federation

We hope that you and your families had a good wee. Don't forget this week will be your Book Swap on Thursday 21st May so do come in if you can so you can drop off your writing and pick up a new book.

You will have heard about Boris Johnson's plan for Year 6 to return to school. You and your parents and carers probably have lots of questions about it. At this stage we cannot answer all their questions. We are working in guidance with the local authority and waiting to receive more information from government about what this means for our school. At the moment, nothing has changed; you will get more information in the coming days and weeks, once we are able to do so.

Again, your home learning task will be a written task. Please try to do the very best you can to give us your best piece of work possible. We know that it is not always easy to work at home. You can drop your work into school where someone will photocopy your work so you can take your book home or you could take a photo or scan of your work and email it to admin@colvestone.hackney.sch.uk

Perhaps you or someone in your family saw **Countryside** on BBC1 on Sunday. There was an interview with Michael Morpurgo about the charity that runs Nethercott Farm and there was some footage of the farm – including Fig and Winnie, two of the pigs you helped care for. Do you remember that photographers came to take pictures for their new brochure and website? Well now some members of Year 6 are celebrities with pictures being used. Some of the pictures are with this message.

We all send our very best wishes and to you and your families and are thinking about you; remember if we can help, please call the school office or email admin@colvestone.hackney.sch.uk

Keep smiling

from

Miss Kessie and Mr Jones
