

Week beginning 13.07.2020

Soaring Skies Federation

Dear Colvestone Nursery Class children and families,

I hope you have been able to do some of the ideas from this terms home learning 'Up in the Sky' about air, flight and space. This week we will look forward hopefully to getting outside more this summer. Have you been growing any plants? Our sunflowers have grown in the nursery garden. Please see the Nursery Class home learning sheet for this week 13.07.2020 – 17.07.2020 for some sunflower home learning activities.

If you are able to go outside or for a walk maybe try this **Garden Scavenger Hunt**. Remember to wash your hands well though afterwards!

It has been good catching up with you all on the telephone or at school if you have been able to collect some reading books on Mondays. I hear that you are having lots of fun at **learning at home**.

Below I have listed all the **useful websites** that I have been sharing with you over the last term so that you have them all together.

I hope you are all keeping safe and well during these very strange times. You are all missed and I look forward to the school being back together.

Wishing you and your families all the very best, keep busy and stay safe,

from Miss Sarah,

Colvestone Nursery Class Teacher.

Some useful websites for Early Years Foundation Stage Home Learning:

<https://www.educationcity.com/> - You will need your child's individual login (username and password) to access online activities for English, maths and science.

<https://classroommagazines.scholastic.com/support/learnathome/grades-prek-k.html> - EYFS Scholastic Learn at home topics and stories.

<https://new.phonicsplay.co.uk/resources/phase/1> - EYFS Phase 1 listening, rhyme and alliteration (letter sounds)

<https://www.booktrust.org.uk/books-and-reading/have-some-fun/> - The Book Trust website for some ideas about stories online

<https://home.oxfordowl.co.uk/books/free-ebooks/> - Oxford Owl ebooks
