Monday 22nd February 2021

Dear parents and carers,

Welcome back to the second half of the Spring term.

We will be continuing with our learning and our exciting curriculum theme 'Living Worlds' via our remote learning platforms. It was wonderful to see so many of you returning the learning so far and getting ready for Spring 2 with new resources before half term; the teachers are working on how best to feedback to children about their efforts.

It is with anticipation that we will see a full return to school very soon. When the announcement is made formally please be assured that we will be excited, ready and able to return safely and securely to our Colvestone school community.

When the children return to school we will ensure that circle times and PSHE sessions are built in to help all children manage the transition back to school and the changes to staffing.

Following on from my letter dated 11th February I would like to inform you of the plan to show our appreciation and say our sad farewells to the members of the Colvestone community.

A box for each staff member named in my previous correspondence will be put in the staff room. Parents, staff and children will be able to add cards or any contributions one is led to.

Staff will be invited back before the end of the Spring term (1.4.21) for us to be able to show our appreciation for their years of service, commitment and hard work. Staff members who are not able to attend on the day will have their boxes delivered to them.

Boxes will be in place by Monday 1st March and we may well be welcoming you all back by Monday 8th March.

In the meantime, I look forward to seeing all the children on Thursday for our celebration of learning and attendance session.

Please continue to stay safe and healthy.

Yours sincerely

Miss Caroline King
Executive Headteacher
