Dear families of Nursery and Reception parents,

I am writing to inform you the necessary and positive change for our early year's pupils. You will be aware the nursery and reception pupils have been joining together in their learning since the Autumn term.

Due to the benefits we have seen as well as pupil numbers and staff changes, from Monday 10th January nursery and reception will join together on a more regular basis. The children will be taught by Miss Lynch and Miss Watson as Miss Hippolyte will be moving to year 1. The children will continue to be taught by Miss Smith on a Wednesday.

I am confident that your child's progress and learning journey at Colvestone will continue to be productive and positive with the experienced team working alongside them.

As always, Mr Macfarlane, Miss Hippolyte or myself are happy to discuss the rationale for this change and assure you that all our decisions have the educational and emotional well-being of your children at the centre of them.

Thank you in advance for your support.

Miss Caroline King
Executive Head Teacher
