

Blossom Federation

Daubeney, Sebright and Lauriston

In Partnership with Colvestone Primary School

Monday 11th July 2022

Dear Colvestone Parents & Carers

We are delighted to introduce ourselves to the Colvestone Primary School community. We are very much looking forward to working with the children, staff, parents and carers and Governing Body at the school from September.

We are the team who will join you in the autumn term to continue Colvestone's track record of academic and extra-curricular achievement and improvement journey.

Robin Warren

Executive Head Teacher

Robin has been with the Blossom Federation since January 2021. There have been significant improvements across the Federation in that time. Prior to this, he was a Head Teacher at two outstanding London primary schools in Camden and Barnet. He is also a National Leader of Education and a Professional Coach. Mr Warren will lead on governance, staffing, website and communications and compliance.

Anna Lucey

Head of School

Anna has been the Deputy Head at Daubeney since 2016 and worked across the Federation since 2001. With a proven track record of high quality leadership and experience, Miss Lucey will provide the day to day leadership and management at Colvestone. Miss Lucey will lead on teaching, learning and assessment, appraisal, school improvement, admissions and wellbeing.

Jatin Shamji

Federation School Business Leader

Jatin Shamji is the Federation School Business Leader and has worked for the Federation since 2010, with 12 years experience in the education sector. A part-qualified accountant and member of the Institute for School Business Leadership, he has recent experience in bringing deficit budgets back into surplus balances, multiple successful audit visits and fundraising. Jatin will work with the school to improve all financial and business management aspects.

We are in discussions with the current Senior Leadership Team on a handover and there are various meetings planned with the Chairs of Governors and Hackney Education to ensure a smooth transition for all.

We will be visiting Colvestone on Thursday 14th July and will be in the playground after school if you would like to come and say hello to us or wave from a distance. It would be lovely to see you but we will of course get to know you and the children better in September. We will also be meeting staff after school to introduce ourselves to them formally on this day.

We recognise this is a tricky time for the school community and change can be difficult, but we are very much looking forward to getting to know the community and providing reassurance to ensure the children and families at the school continue to benefit from the education and provision at the school.

See you on 14th July!

Yours sincerely,

Robin Warren
Executive Head Teacher
The Blossom Federation

Anna Lucey
Head of School
Colvestone Primary School
(September)
